Welcome to Seattle from the AIM President and the two Host Boards: Blake Maresh, AIM President & Executive Director, Washington State Board of Osteopathic Medicine and Surgery and **Maryella E. Jansen**, Executive Director, Washington Medical Quality Assurance Commission

9:15 am - 10:15 am: Opening Session

2011 AIM Best of Boards Awards Ceremony and Presentation Showcase of Award Recipients

13th Annual AIM Best of Boards Award and Honorable Mention Recipients – Presented by Deborah J. Bruce, Award Committee Member, AIM Central Region Representative & Executive Director, Oklahoma Board of Osteopathic Examiners

2011 AIM Best of Boards Award Recipient: Alabama Board of Medical Examiners for its program: *Ensuring Quality in Collaborative Practice*

The Alabama Board of Medical Examiners recognized a problem regarding physician compliance with the Collaborative Practice Rules and developed an educational program for physicians, nurse practitioners and any administrative staff involved in the Collaborative Practice process.

Presenter: Cheryl S. Thomas, MSM, RN, Inspector, Collaborative Practices, Alabama Board of Medical Examiners

The three 2011 AIM Best of Boards Honorable Mention Recipients:

1) Delaware Board of Medical Licensure and Discipline for its program: *Improving Protections for Children*

Under a new law (24 Del. C. Section 1723), each licensee is required to complete mandatory training during each renewal period on how to recognize child sexual and physical abuse, exploitation and domestic violence, and their reporting obligations under the Medical Practice Act. The mandatory training is available online and is entitled "Child Abuse Identification and Reporting Guidelines for Delaware Medical Providers": <http://dpr.delaware.gov/boards/medicalpractice/cpac.shtml> This supports the Board's mission of protecting the public's health, safety and economic well-being. The training was developed in part by the Board and the Child Protection Accountability Commission for all medical providers, including police and deputy attorney generals. This may be a useful tool for other state medical boards that wish to enact similar mandatory training.

Presenter: Gayle Lynn MacAfee, Executive Director, Delaware Board of Medical Licensure and Discipline

2) Iowa Board of Medicine for its popular slide show and brochure: *Top 10 Reasons Physicians Stumble*

As a part of the Board's outreach and education to the public, licensees and other stakeholders in health care, the Board staff makes frequent presentations. A popular slide show (and in brochure handout format) is a humorous, but serious look at the variety of complaints the Board receives and the issues that can be troublesome for licensees.

Presenter: Mark Bowden, Executive Director, Iowa Board of Medicine

3) North Carolina Medical Board for its program: *Physician and Physician Assistant Reentry, the North Carolina Medical Board Experience*

Dr. Mike Sheppa will review the North Carolina experience with reentry and describe the current North Carolina physician and physician assistant reentry process.

Presenter: C. Michael Sheppa, MD, Associate Medical Director, North Carolina Medical Board

10:15 am -10:45 am: Break and Networking Opportunity

10:45 am – 11:45 am:

For those familiar with the books of Author Stephenie Meyer - The Twilight Saga books - set primarily in the town of Forks, Washington - we are naming this agenda segment:

The Twilight Saga: Getting Blood Out of State Budget Turnips

How does a Board function when staffing/funding continues to get cut? The Panel Members will cover topics such as dealing with budget woes and related staffing issues: doing even more with less – plus major issues of layoffs; furloughs; attrition; and the morale of those left behind to pick-up the work load. This is an interactive segment with audience questions submitted to our Panel via index cards.

Moderator: Lyle R. Kelsey, AIM Past President and Executive Director, Oklahoma State Board of Medical Licensure and Supervision

Four Panelists: Mark Bowden, Executive Director, Iowa Board of Medicine; **Kathleen Haley**, Executive Director, Oregon Medical Board; **Gayle Lynn MacAfee**, Executive Director, Delaware Board of Medical Licensure and Discipline; and **Lisa S. Wynn**, Executive Director, Arizona Medical Board

11:45 am – 12:00 Noon: Report of the AIM President

Presenter: Blake Maresh, AIM President & Executive Director, Washington State Board of Osteopathic Medicine and Surgery

12:00 Noon – 12:30 pm: AIM Awards Luncheon in the Willow Room – 2nd Floor - Luncheon Provided

Presentation of the following AIM Service Awards:

1) Doug Cerf Executive Director's Award - 2011 Recipient: **R. David Henderson**, Executive Director, North Carolina Medical Board;

2) George S. Palmer, MD Award for Excellence - 2011 Recipient: **Larry G. McPherson, Jr.**, Executive Director, Florida Board of Medicine;

3) Ronald K. Williamson Memorial Award for Board Investigators - 2011 Recipient: **Leslie A. Thornton, CMBI**, Investigator, West Virginia Board of Medicine;

4) John Ulwelling Special Recognition Award - 2011 Recipient: **Hari Gupta**, Director of Operations, North Carolina Medical Board

12:30 pm - 1:00 pm: Luncheon continues

1:00 pm – 1:30 pm: Break Before Afternoon Session Begins

Afternoon Session:

1:30 pm – 2:15 pm: License Portability Update

12 member boards have adopted the Federation of State Medical Boards Uniform Application for Physician Licensure (UA) - a tool that was designed to enhance license portability. Through the UA, the member boards utilize common application elements while capturing the unique state requirements in an addendum that is customized to meet the state specific needs. Licensure applicants that utilize the Federation Credentialing Verification Service (FCVS) have an added benefit as 70 percent of the application is pre-populated.

To date, more than 38 boards are engaged in some manner with the FSMB on the UA program. As of March 8, 2011 almost 17,000 physicians have successfully submitted their application for licensure utilizing the Uniform Application.

The new and improved Federation Credentials Verification Service (FCVS) **Fast Track** "went live" on February 15, 2011. The mammoth upgrade to FCVS follows a significant investment of time, money and energy spanning nearly 18 months and more than 120,000 hours of working time by FSMB staff and consultants. Nearly all state medical and osteopathic boards accept FCVS for processing of medical licensure decisions and 14 require it for licensure processing. 100 employees work on FCVS day-in and day-out.

Presenters: Ingo Hagemann, Director, Uniform Application for Physician Licensure (UA) and **Nancy Kerr**, Project Coordinator, Uniform Application, Federation of State Medical Boards (FSMB)

2:15 pm – 3:00 pm: Impact of Competence Assessment and Re-entry Programs

CPEP is the Center for Personalized Education for Physicians in Denver, Colorado. State medical boards have turned to competence assessment programs such as CPEP to address questions about clinical competence for more than two decades. More recently, these programs are also helping boards determine the competence and educational needs of re-entry physicians. Having completed more than 1,000 assessments, CPEP Executive Director Elizabeth Korinek will share key findings about characteristics of participants, and explore the outcomes and impact of a post-licensure assessment process. In addition, she will share lessons learned about the impact of a clinical practice re-entry process on physicians' ability to successfully and safely re-enter clinical practice.

Presenter: Elizabeth J. Korinek, MPH, CPEP Executive Director

3:00 pm – 3:30 pm: Break and Networking Opportunity

3:30 pm – 4:00 pm: 2011 AIM Annual Business Meeting

4:00 pm: Adjourn

Acknowledgements

AIM wishes to thank the many people who make our meetings so successful.

Our Presenters: Without their willingness to share their time, knowledge, and experience, we would be unable to bring you such important programs.

Our Host Boards: **Maryella E. Jansen**, Executive Director, Washington Medical Quality Assurance Commission and **Blake Maresh**, AIM President & Executive Director, Washington State Board of Osteopathic Medicine and Surgery

Our Program Planning Committee:

2011 AIM Annual Meeting Program Planning Committee Chair and Members:

- **LaSharn L. Hughes**, AIM Vice President & Program Chair Executive Director, Georgia Composite Medical Board
- **Kevin Bohnenblust**, AIM Western Region Representative & Executive Director, Wyoming Board of Medicine
- **Deborah J. Bruce**, AIM Central Region Representative & Executive Director, Oklahoma Board of Osteopathic Examiners
- **Bob Knittle**, AIM Southern Region Representative & Executive Director, West Virginia Board of Medicine
- **Joan Wehrle, CPMSM**, AIM Eastern Region Representative & Education and Outreach Program Manager, State Medical Board of Ohio
