RE: Thomas W. Robbins, Jr., M.D.

Dear Mr. Fletcher:

I refer to your letter of August 10th.

Dr. Thomas W. Robbins, born 12/14/33 was issued Maine Medical License #9636 on September 29, 1978. The license was granted based on reciprocity with the state of North Carolina.

Dr. Robbins' Maine license was revoked without a hearing on March 10, 1987 pursuant to 5 M.R.S.A. § 10004(2) which required such action inasmuch as it had been determined that the State of North Carolina revoked the license upon which reciprocal licensure in Maine was based on February 24, 1986.

Our records also indicate that the states of New Jersey and Florida have, from time to time, suspended or restricted Dr. Robbins license in those states on the basis of impaired mental health. You may wish to inquire directly with the licensing authorities of all three states: NC, NJ, FL.

Dr. Robbins' Maine license stands revoked since 3/10/87.

Yours truly,

A handwritten signature in black ink, appearing to read "David R. Hedrick".
